

# INDIA'S MOST ADMIRABLE CONSTRUCTION BRAND AWARD 2024

PRESS RELEASE

17th October 2024

***India has been Komatsu recognized and honored the “Most Admired Construction Brand Award 2024” at the 22nd Construction World Global Awards Event.***

Very much delighted to share this exciting news on the Most Admired Brand of the Year 2024 received by Komatsu India, during the 22<sup>nd</sup> Construction World Global Awards held on 9<sup>th</sup> October 2024 at the Jio World Convention Centre, Mumbai. Over 50 awards in 21 categories were presented to the industry stalwarts and Komatsu India was

one among these winners for the year 2024. This is an impressive achievement and more memorable for Komatsu India Private Limited winning this “Most Admired Brand of the Year 2024” award in the Construction Equipment industry, which is a significant recognition that valued by the employees, esteemed customers, business partners and all stakeholders.

This shows that the products manufactured by KIPL in Chennai play a vital role for the country’s infrastructure development and that reflects today with a result of this Brand Awards.

It's notable that this most prestigious award was received by Mr. Srikrishna Subramanian, Director and Sr. Vice President, HR, GA & ICT and Dr. S. Hitler, Asst. General Manager from Strategy and Marketing Communication for the Brand, marking a proud moment for the company. Such recognition is important for the employees who work hard for the growth of KIPL that greatly elevates the company's brand presence and reputation in the industry amongst competition.

**"Creating value together"** is our brand

promise and this memorable award shows **KIPL's "TEAMWORK"**. This proud moment of the entire KIPL team holding this Most Admired Brand trophy of prestigious award today has once again proven to be an invaluable partner for the Indian construction equipment industry. By convergence, the standards through quality and innovative products, and collaborative efforts showcased here and reflect our strong commitment to growth and excellence.

This recognition underscores our capabilities quality, reliability, insights, and support, offering products and solutions to the industries that we support. Komatsu globally works together with its stakeholders to empower a sustainable future where People, business, and our planet thrive together. Awards like these further solidify our reputation as a leader in the construction equipment industry in India and this recognition motivates us to push the boundaries as one Komatsu, one team.
