

KOMATSU INDIA WINS

INNOVATION OF THE YEAR AWARD FOR KOMTRAX

PRESS RELEASE

20th October 2022

10th ANNUAL EQUIPMENT INDIA AWARDS 2022

Komatsu India Private Limited (KIPL) proudly announces and acknowledges the award for the year in the Innovation category received under the top performers as winners for its remarkable achievements. This **“Innovation of the Year – Components &**

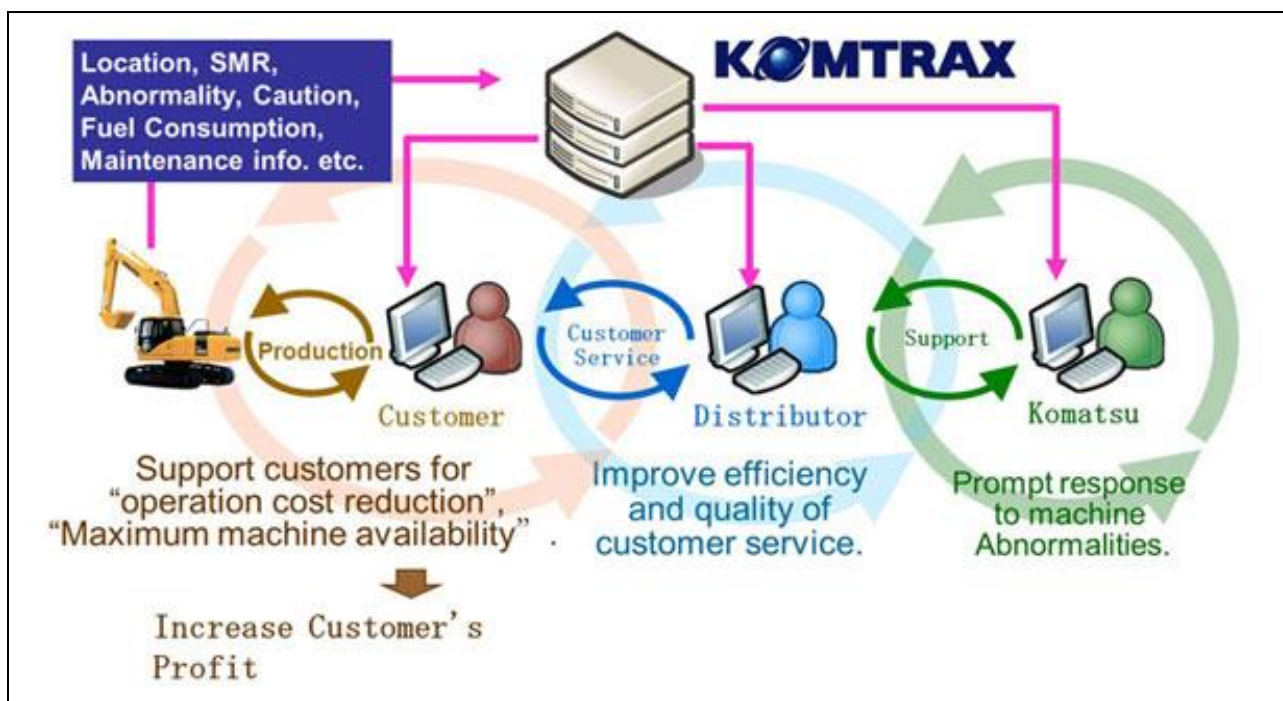

Accessories” prestigious award was received for the product **KOMTRAX** during the 10th Annual Equipment India Award 2022, which was held on October 14th, 2022 (Friday) at ITC Grand Central, Parel, Mumbai. This distinguished award was issued by Mr. Pratap Padode, Founder, Managing Director & Editor-in-Chief, ASAPP Info Global Services Pvt. Ltd.,

KOMTRAX – A WINNING TOOL

KOMTRAX (Komatsu Machine Tracking System), the telematics system of KOMATSU collects the machine data from the sensors/controllers and transmits to the Komatsu server, after which warnings, caution & eco-guidance inputs are displayed on the machine monitor for the operator to take corrective action. The Komtrax report when downloaded from the system captures detailed operational behaviour and displays technical parameters over a period under study. Analysing & study of KOMTRAX data for corrective operations are recommended for energy saving, reduce idle hours and travel ratio.

Such actions based on the KOMTRAX analysis not only helps the customer for operational improvements but also helps in the reduction of environmental impact by reduction of CO2 emissions by means of reducing fuel burn.

Currently the next-generation KOMTRAX engaged in preventive maintenance by applying IoT and AI prediction technologies and introduced machine serial number-based management. In other words, we will focus on realizing the lifetime engagement of our customers' machines and Dantotsu service solutions.

This prestigious award will keep KIPL employees encouraged for their continuous support and the innovative and technological contributions towards the growth of construction and mining industry in India. It is also a great milestone to receive this award for the year 2021 which was Komatsu's 100th year anniversary.

Also happy to inform that our Distributor M/s.Larsen & Tourbo had received two awards under the categories - **"Best Dealer of the Year"** received by Mr.Manish Parab, Jt. General Manager, Western Zone & Mr.V.R. Subramanian, Dy. General Manager & Head Marketing Services and **"Best Trainer of the Year"** award received by Mr. Naresh Thakur, Sr.Deputy General Manager & Head & Mr.G. Arokia Dass, Asst. General Manager.
