

# Komatsu's 60T class Dumpers

## Commissioned at Western Coalfields Ltd.

5<sup>th</sup> March, 2021

### **HD465-7E0 @ WCL**

The Global Leader and a premier manufacturer of mining and construction equipment's Komatsu India Private Limited, Chennai wholly own subsidiary of Komatsu Ltd., Japan has bagged order of 20 units 60T class Off-Highway Dumpers (HD465-7E0) from Western Coalfields Limited (WCL) which is the subsidiary company of Coal India Limited (CIL) under administrative control of Ministry of Coal.

Komatsu India have successfully commissioned the 1st batch of 7 units in the month of February 2021 at WCL, Mungoli project and total 20 units commissioned as of now and delivered at various WCL project sites through our distributor (M/s. Larsen & Turbo - Construction and Mining Equipment Business). Also, the order is composite of machines supply along with guaranteed availability of not less than 85% for 1st year and not less than 80% for balance 3 years.

We are confident that we will be able to exceed the stipulated requirement of guaranteed availability as per order; Komatsu's strength is in the quality of manufacturing.

Komatsu commemorates its 100<sup>th</sup> year anniversary in 2021 and beyond, it will be one more feather to our achievement in supplying proven quality product to WCL and making strong presence in public sector business in Indian market.
