

KOMATSU INDIA UNVEILS NEW

MACHINE CARE PROGRAM [MCP-5]*

PRESS RELEASE

26th January 2024

Unmatched Komatsu Products with new MACHINE CARE PROGRAM (MCP-5)*

Komatsu India Private Limited (KIPL) and L&T Construction & Mining Machinery jointly unveils and bring to you the unique **Machine Care Program (MCP-5)**, first-of-its-kind in the Indian construction equipment industry.

This extended powertrain warranty program of **5 Years/12,500 Hours*** whichever is earlier is offered for the Komatsu Hydraulic Excavators that are produced in the state-of-the-art Komatsu's manufacturing facility at Oragadam, Chennai, Tamil Nadu.

Komatsu, a global leader in construction and mining equipment, has partnered with L&T

Construction & Mining machinery and introducing unique **Machine Care Program (MCP-5) tailored specifically for Komatsu models PC205-10M0, PC210-10M0 and PC210LC-10M0 excavators**, this comprehensive service initiative is poised to redefine customer experience and satisfaction by optimizing equipment performance.

Key Highlights of new MCP-5

1. Digitally Enabled Service

- Avail 1 year of complimentary filters up to 3000 hours
- Extended 5 Years/12,500 Hours, (whichever is earlier) powertrain warranty for maximum uptime.

2. Comprehensive Support

- Energy-saving operator training.
- KOMTRAX reporting for enhanced monitoring.
- Regular maintenance, PM clinics and more.
- Undercarriage inspection

3. Genuine Spares Support

- Expedited access to genuine Komatsu parts, lubricants, and services for peak performance.

4. Predictive Maintenance

- Leverage cutting-edge KOMTRAX & KOWA technology for timely interventions and minimized breakdowns.

L&T Construction & Mining Machinery, with its extensive nationwide network of dealerships and service stations, guarantees best-in-class sales and after-sales support for Komatsu equipment in India. This special program is a game-changer in the construction industry, ensuring that our customers experience

unparalleled equipment efficiency,
productivity, and reliability.

Experience the True Peace of Mind when you purchase our new Komatsu Hydraulic Excavators with this unique special program. Feel the power, efficiency, performance, productivity, and peace of mind.
