PRESS RELEASE

26th June 2023

50,000 Hours of Operation - PC1250-8R “GOING STRONG”

Komatsu Hydraulic Excavator PC1250-8R (MSN 35213) working at ACC Limited, Chanda Cement Works, Maharashtra state has clocked 50,000 Hours of its operation on May 11, 2023 with an excellent availability guarantee of 91 percent against the agreed contract by Komatsu Ltd., Japan.

PC1250-8R equipment was contracted by ACC Limited for its Chanda

Cement Plant in Maharashtra during year 2010 and the same was manufactured by Komatsu Japan at its Osaka facility and imported to India. This equipment was commissioned on June 29, 2010 and inducted into a Full Maintenance Contract (FMC) from April 18, 2011. Now, this equipment has witnessed 50,000 hours of its operation by ACC Limited’s officials with achieving good availability.

Eclipsing past 50,000 hours of sturdy & productive operation in a span of 13 years

is a colossal achievement that manifests the Hallmark of world class mining equipment of Komatsu with its strong “Quality, Reliability & Durability”. Excellent FMC service support provided by Komatsu’s authorized Distributor M/s.Larsen & Toubro on around the clock basis to ACC Limited. This equipment is still highest in number of orders received by Komatsu from customers in India raring to go on further and longer.

Addressing this biggest achievement in this class of equipment, an impressive function was organized by Larsen & Toubro to commemorate this landmark occasion on the day May 11, 2023, which was presided over by Mr Anil Kumar Gupta, Chief Operating

Manager (Plant) accompanied by Mr Suresh Wandhare, Associate General Manager (Mines) and other esteemed members of Chanda Cement Works, Maharashtra state.

Mr Yoshiki Tanaka, General Manager, Planning Division from Komatsu Ltd., Japan, Mr C Jayakumar, General Manager & Head, Product Support, Mr Kengo Ogawa, AGM, Product Support of Komatsu India, Bangalore and Mr KA Sravan Kumar, Head Product Support from L&T, Bangalore had graced the occasion and felicitated the customer with a miniature model of Komatsu equipment and an insignia plaque as an expression of gratitude towards ACC Limited for their patronage, support and guidance right through this rewarding journey.
